

The Canvas Training Portal is a learning center for educators who want to learn and use Canvas right away. The Training Portal contains four different learning options: Live Training known as webinars, Learning Pathways, Training Courses, and Training Videos. All are organized in the Learning Library where you are taken upon first entering the portal.

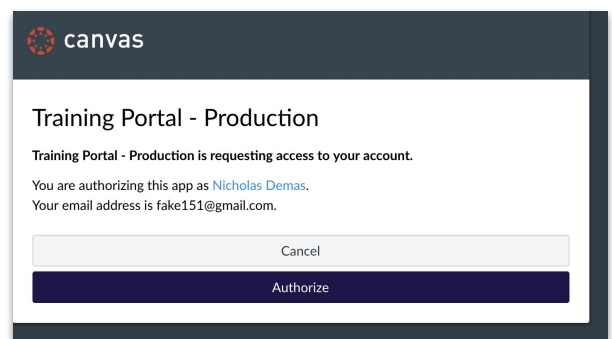

LOG IN

Training Services Portal Access - The “Training Portal” button can be accessed through your institution’s Canvas help menu. The help area in Canvas is at the bottom of the Global Navigation Menu.

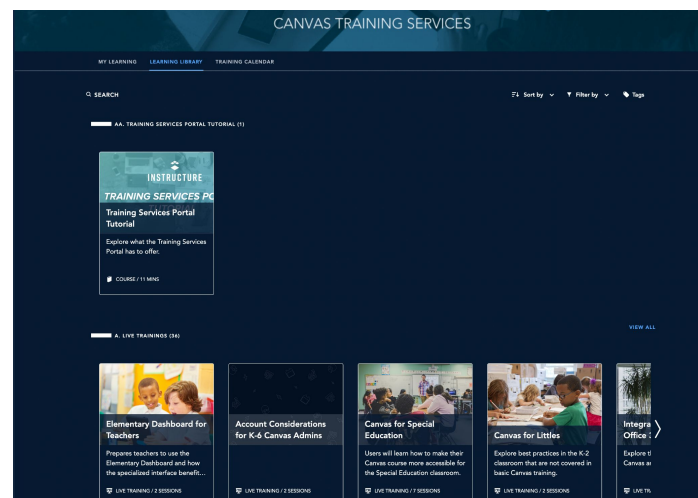

Please note, the order of the link may differ in your help menu

Approve Access - Select the “Authorize” button to authorize your training account. This will only appear the first time you access the portal.

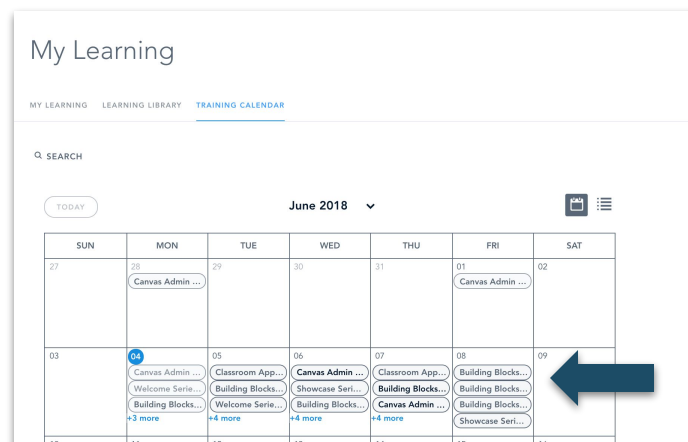

VIEWING TRAININGS

Learning Library - Library of all trainings available to you for registration. Training offerings are organized by learning experience: Learning Pathway, Courses, Videos and Live Trainings.

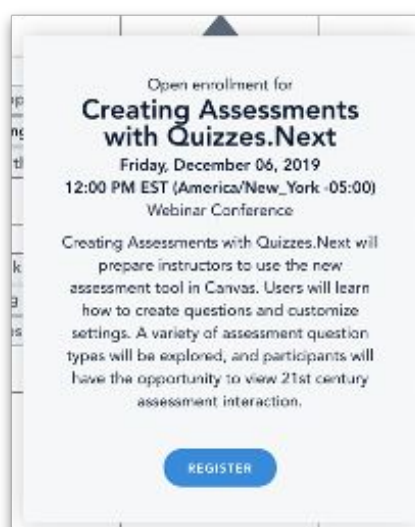

REGISTER FOR A WEBINAR

View the available webinars by browsing the Live Trainings category in the Learning Library or, select the Training Calendar link. A calendar with the available session titles and times is displayed. Select a session to view the full description. If you wish to register, select the 'Register' button. Once you have registered, the session in the Training Calendar will change to a bold color.

After you have registered, an email is sent to you with the session title, date and time reported in Eastern Time, and the conference link. Another email is sent to remind you when the session is starting. You can also view the sessions you have registered for in the portal in the My Learning Library tab. **You MUST have the Training Portal Open for the conference link in the email to take you to the webinar.**
