TABLE OF CONTENTS

Section I: General Information	3
Section II: Professional Expectations	5
Section III: Forms	12
• Commitment Contract	
• Emergency Contact Form	
• Mentor Teacher Schedule/Bell Schedule	
• Suggested Pre-Service Teacher Activities	
• Evaluation	
• Observation Instrument	
• Growth Plan	
• Concern/Opportunity/Acknowledgment Form (COAF)	
• Clinical 3 Service Learning Project Proposal	
• Clinical 3 Service Learning Project Reflection	

*The Early Field Handbook serves as a supplement to Clinical 2 and Clinical 3 courses.
Subject to changes pending any TEA, SEHD and/or TLAC updates.
Adopted by the TLAC Undergraduate Committee – August 2022 (updated June 2023).*

GUIDELINES AND PROCEDURES

RATIONALE FOR EARLY FIELD EXPERIENCE

- TLAC pre-service teachers (PSTs) are enrolled in a Texas educator preparation program that leads to teacher certification. Graduates of the program must successfully complete the degree plan and all Texas Education Agency (TEA) requirements for certification.
- Early field experience is an opportunity for public school educators, university professionals, and PSTs to work collaboratively to strengthen both the profession of teaching and the opportunities for university students to engage in exceptional learning experiences.
- The emphasis is for pre-service teachers and their instructors to discover how they can assist each other to enhance student learning. This is accomplished through on-campus methods classes and weekly field experiences in public schools.

OVERVIEW

Early field experiences foster opportunities for teachers, administrators, pre-service teachers, university supervisors, and TAMU methods instructors to cultivate authentic communities of practice. School partnerships exist between Bryan ISD, College Station ISD, other districts within a 35-mile radius, and Texas A&M University. During the field experience, PSTs have the opportunity to experience:

- Hands-on exposure in classrooms prior to clinical teaching
- Implementation of ideas related to planning, instructing and assessing
- Evolution of a philosophy of education
- Evolution of a stance on classroom management
- Reflection based on observations, experiences, and contributions
- Application of educational technology
- Supervised teaching responsibilities when applicable
- Interaction with all members of the educational community

GPA and COURSE REQUIREMENT

Texas Education Agency requires a minimum GPA of 2.75 for admission to upper-level education programs and for teacher certification. Once admitted into upper-level coursework students must maintain a minimum GPA of 2.5 or higher (as specified by program). Check with your advisor for program specific requirements.

These courses must be completed with a grade of “C” or higher. Successful completion of the field placement is required to receive a passing grade in the course. In addition to the assignments given for each course, no additional courses may be completed during the Clinical 3 semester, except the 4 block courses. aggieTEACH candidates may take additional courses during Clinical 3.

CLINICAL TEACHING

Clinical teaching is the capstone experience for all teacher preparation degree pathways. As such, all courses on the student’s degree plan have to be successfully completed prior to clinical teaching. In addition, PSTs must meet all School of Education and Human Development requirements before entering clinical teaching, including passing all coursework and required primary content exams (and STR if applicable) by the established deadline for each semester.

FIELD PLACEMENT PAPERWORK REQUIREMENTS

All paperwork must be completed and submitted at least 72 hours in the Aggie Educator Portal (AEP) prior to the first field day. All paperwork must contain an original signature (not typed). Placements will not be provided until all requirements have been met. C2 students must complete the Ethics Module. C3 students must have attempted their primary content certification exam. See other course specific requirements (page 8-10).

PROOF OF PROFESSIONAL LIABILITY INSURANCE

Before receiving field placement assignments, PSTs must provide proof of professional liability insurance to the instructor/university supervisor. Professional insurance is available at no charge or at a nominal charge through several professional teachers' organizations, including Texas State Teachers Association, Texas Classroom Teachers Association, Association for Professional Educators.

NAME TAGS

- PSTs are required to wear nametags while at a field campus. The branded nametag identifies the PST to students, other faculty members, staff, and parents. Directions for purchase from the approved vendor will be provided.
- TAMU nametags must include one of the following:
 - a designated title (i.e., Mrs., Mr., Miss, Ms.) with the PST's last name
 - or the PST's first and last name

CALENDAR

- For the field experience, PSTs will follow the calendar for the assigned school district.
- If the assigned school has a holiday, but TAMU does not, follow the calendar of the assigned campus for field experience only. TAMU classes will meet as usual.

PARKING

- As a guest at the assigned school, check with the mentor teacher for parking information. Do not park in areas designated for visitors or in reserved spaces.

SUBSTITUTE TEACHING

- PSTs may not substitute teach on scheduled field placement days.
- Field placement days may not be rescheduled or changed to allow PSTs to substitute teach.

ACCOMMODATIONS FOR PRE-SERVICE TEACHERS IN EDUCATION CLASSES

PSTs with attendance accommodations, physical mobility or communication considerations that are enrolled in courses related to a teacher certification program, should share a copy of their accommodations letter with Director of Field Experiences, Kimberly Parish (kparish@tamu.edu), and their academic advisor so that potential accommodation needs can be discussed before placement and/or for courses.

DISABILITY RESOURCES

Texas A&M University is committed to providing equitable access to learning opportunities for all students. If you experience barriers to your education due to a disability or think you may have a disability, please contact Disability Resources in the Student Services Building or at (979) 845-1637 or visit disability.tamu.edu. Disabilities may include, but are not limited to attentional, learning, mental health, sensory, physical, or chronic health conditions. All students are encouraged to discuss their disability related needs with Disability Resources and their instructors as soon as possible.

PROFESSIONAL EXPECTATIONS

ROLE IN THE CLASSROOM

- PSTs are expected to assume an active role in the classroom as instructed by the mentor teacher and expectations outlined in the Early Field Handbook.
- To move forward in the program, PSTs will be required to successfully complete each field experience. Unsuccessful completion will prevent matriculation to the next field experience.
- PSTs are strongly encouraged to teach as often as permitted.

COMMITMENT CONTRACT

- The Commitment Contract serves as an assurance that the PST is aware of, and will uphold, expectations. In order to receive field placement information, PSTs must submit the Commitment Contract in the AEP.
- Failure to complete and/or uphold the Commitment Contract could result in any or all of the following actions, including, but not limited to:
 - Being placed on a growth plan
 - Reduction in final course grade
 - Transfer to another mentor
 - Grade of incomplete in the course
 - Grade of F in the course
 - Dismissal from the EPP

PROFESSIONAL ATTIRE

- PSTs should, at all times, represent the teaching profession by dressing appropriately.
- Adhere to the dress code at the assigned school. Blue jeans, jogging suits, shorts or other extremely casual dress is inappropriate, regardless of dress code, unless on special days.

SOCIAL NETWORKS

- PSTs will begin to adopt the position of a classroom teacher during early field experience and are advised to maintain a professional stance on social networks. PSTs should refrain from posting pictures of students, “friending” teachers, students, and students’ parents.
- When students in the School of Education and Human Development at Texas A&M University choose to join or engage with social networking groups, they do so as future educators and as such assume the responsibility for monitoring content and addressing inappropriate behavior or activity on these networks. This includes acting to protect the safety of minors online, peers, and district personnel. Any concerns should be immediately brought to the attention of any faculty or staff member at Texas A&M University.

GROWTH PLAN

- Aggie PSTs are held to high dispositional and pedagogical expectations. If a PST does not meet program expectations, the instructor/university supervisor will initiate a Growth Plan in the Student Data Portal to address specific areas of improvement required. The plan establishes guidelines for growth to which the PST must respond in writing.
- Being placed on a Growth Plan during Clinical 3 will restrict clinical teaching placement to a local district within a 35-mile radius of the Texas A&M University College Station campus.
- If a student is placed on a Growth Plan during the field experience, the Growth Plan may carry over to the following semester.

REMOVAL FROM THE FIELD CLASSROOM

- PSTs who exhibit inappropriate or unprofessional behavior which prompts the mentor or an administrator to request removal from the field setting fail the field component, and therefore either withdraw or fail the associated courses.
- PSTs who are removed from the field placement will repeat the course(s) and the field experience.

ATTENDANCE

Attendance is expected and counts. Aggie PSTs are expected to attend their assigned schools every day unless the district calendar indicates otherwise. All absences must be officially reported through the online AEP and made up.

Three unexcused or excessive excused absences will result in an unsatisfactory grade. Only university approved absences are considered excused. For more details, visit <http://student-rules.tamu.edu/rule07>. PSTs will submit weekly attendance in the AEP. Every three tardies will be documented as one unexcused absence. "Early is on time. On time is late, and late is unacceptable." PSTs are expected to be in attendance at least 80% of class meetings and 80% of field experiences. Faculty will recommend withdrawal or Q drop of the course(s) when a student reaches 20% absenteeism, which includes excused absences. Class discussion and participation are vital as students learn to apply research and theory in a classroom setting. The goal is for students to move forward to a successful clinical teaching experience and ultimately a teaching career.

PST expectations:

- Arrive on time and remain at the assigned campus until the end of the teacher workday or assigned aggieTEACH block. Adhere to established school start and end times, especially in regard to arriving prior to the start of the school day. Arriving late reflects poorly on PST professionalism, and Texas A&M University.
- aggieTEACH candidates enrolled in TEFB 322/324/406/407 must complete the assigned 4-hour block of field each week.
- Do not leave the school building during the instructional day.
- Remain on campus and engaged with instructional support, observation, or monitoring if adjustments (such as testing or conferences) in the instructional day necessitate classroom schedule modifications.
- Communicate with the mentor teacher and university supervisor immediately for any case of emergency, tardiness, or absence.
- Submit time log daily in the AEP.
- Mentor teacher will approve attendance each week.
- Do not change field days to accommodate a school or personal schedule change.

ABSENCES

Classroom Unexcused Absence Policy

Each unexcused absence will drop the final grade by a letter grade in each course. Only university approved absences are considered excused. Absences related to weather are only excused if the university closes and/or in the case of field, the district closes. Students living at a distance or traveling during the semester are strongly encouraged to monitor the weather conditions and make appropriate arrangements to be in class or field.

Field Absences

Because it is expected PSTs will begin to assume the professional stance of a teacher, absences in class and in the field will be minimal. It is, therefore, the responsibility of the PST to inform the mentor teacher and the instructor/university supervisor of any absence. Contact should be made as far in advance as possible.

Notification should include:

- Call the school office and leave a message for the mentor teacher.
- Email the mentor teacher.
- Email the instructor/university supervisor and provide documentation.
- Record the absence in the AEP. An Absence Report must be filled out to note the absence.
- An Absence Make-up Report must be completed once the absence is made up.
- Absences must be made up within two weeks of the absence. Failure to do so will result in a letter grade reduction in each field-based course.
- If the absence occurs within the last two weeks of field experience, the make-up day must be completed by the end of the field experience.
- Only TAMU instructors may approve excused field absences. Any absence not approved in advance by the TAMU field supervisor will be considered unexcused.

Field experience is attached to all courses; therefore, AN UNEXCUSED ABSENCE IN THE FIELD WILL RESULT IN A LETTER GRADE REDUCTION FOR EACH FIELD-BASED COURSE.

NON-INSTRUCTIONAL DUTIES

- Teachers are expected to assume many non-instructional duties, such as before or after-school duty, cafeteria/playground supervision, etc. PSTs should anticipate assisting with these duties to ensure a more comprehensive grasp of the teacher's role.
- PSTs will not supervise without the presence of a teacher or other school district personnel and should immediately notify the instructor/university supervisor if left alone with students for more than a few minutes.
- It is generally permissible to walk students from one class or location to another, but PSTs must be familiar with school regulations, policies, and guidelines.
- Guidelines may differ from school-to-school. PSTs are expected to read and be familiar with the teacher handbook at the assigned school. Make sure to ask questions as needed.

COMMITTEE, PARENT, OR PROGRAM MEETINGS

- PSTs are expected to attend a variety of meetings in the school setting. These might include PTO, grade level, department, faculty, staff development, or parent conferences.
- PSTs will attend any function on designated field days that the mentor teacher is expected to attend.

CONFIDENTIALITY

- PSTs have the same ethical obligations as licensed teachers related to information about a school, the staff/faculty, and the students.
- Discussions outside the school setting about students, teachers, or staff are unethical and may be illegal.
- All written records should be held in the strictest of confidence. Student records may never be removed from the school.

EVALUATION

- Success in early field experience is based on in-class assignments, field experience, and other course requirements.
- The mentor teacher will complete a mid-term evaluation and an end-of- semester evaluation.
- The final grade is derived from the successful completion of course requirements.
- The field experience is Pass/Fail.

APPEALS PROCESS

PSTs wishing to appeal a decision regarding a field-based policy, should follow the steps outlined below:

1. Fill out the Concerned Acknowledgement Form located at the back of each syllabus and in the Early Field Handbook and contact the instructor/university supervisor who made the decision.
2. After meeting with the instructor/university supervisor, the PST may appeal the decision to the Director of Field Experiences.
3. Following the Director of Field Experiences, the next person in the appeals process is the Associate Department Head for Undergraduate Studies.
4. If no resolution has been reached, the PST may appeal to the Department Head in the Department of Teaching Learning and Culture.
5. If no resolution has been reached, the PST may appeal to the SEHD Dean's Office.
6. If no resolution has been reached, the PST may appeal at the University level.

<https://us.tamu.edu/Students/Undergraduate-Ombuds>

CLINICAL 2 (TEFB 371/322/324)

AEP Documentation

Clinical 2 Section Uploads:

- Proof of Insurance
- Proof of Background Check
- Proof of CIRT
- Absence Documentation (as needed)

Other Documents Section:

- Emergency Contact Form (submit)
- Risk Waiver (upload)
- FERPA Release (upload)
- MyLab Writing (upload)
- Child Protection Training

Required Pass/Fail Tasks

- **Modules** - PSTs are required to complete multiple modules during Clinical 2. Verification of module completion and certificate upload to the AEP will be required to successfully complete Clinical 2. The following modules are pass/fail components of the **Clinical 2 semester**:
 - Code of Ethics – prior to receiving field placement
 - Dyslexia
 - Mental Health
 - Youth Suicide
 - Substance Abuse
 - First Days of School
- **240 Tutoring (primary content and STR if required)**
- **Time Log**

- **Observations and Reflections** - Each PST will have two observations during Clinical 2. Following each field observation, the university supervisor will upload notes and reflection prompts to the AEP. Once posted, the PST will get an email link to complete the online observation reflection. PSTs must substantively reflect within 48 hours of receiving the email link and maintain a professional and reflective stance when crafting a response. Note that the assigned mentor teacher is able to view the response. Both substantive observation reflections must be posted in order for Clinical 2 instructors to post final grades.

CLINICAL 3 (RDNG 467/490)

C3 PSTs must attempt primary certification content exam prior to receiving C3 placement.

AEP Documentation

Clinical 3 Section:

- Proof of Insurance
- Proof of Background Check
- Proof of CIRT
- Absence Documentation (as needed)

Other Documents

- Child Protection Training

AEP Review/Revise as needed:

- Emergency Contact Form

Required Pass/Fail Tasks

- **Service Project** - Clinical 3 courses are coded as service learning. The goal is to give back to the school and further enhance the PST's place in the educational community by recognizing specific school needs and developing and implementing strategies to meet them. The appended service project proposal will be used to outline the intended project to gain school site approval and must be submitted to the university supervisor. The chosen Service Project task and a reflective impact statement are pass/fail components that must be submitted to the university supervisor and noted as meeting expectations in order to pass the Clinical 3 semester.
- **Philosophy of Education Statement** - In preparation to take up the dynamic role of a teacher, PSTs are expected to coherently articulate their teaching and professional philosophy. This concise statement offers a snapshot of the PST's grasp of planning and instructional delivery, classroom environment and management positionality, and professional dispositions. The edited document must be submitted to the university supervisor for assessment in order to pass the Clinical 3 semester.
- **240 Tutoring (PPR)**
- **Time Log**
- **Resume**
- **Observations and Reflections** - Each PST will have four observations during Clinical 3. Two take place before the mid-term and two after the mid-term. Following each field observation, the university supervisor will upload notes and reflection prompts to the AEP. Once posted, the PST will get an email link to complete the online observation reflection. PSTs must substantively reflect within 48 hours of receiving the email link and maintain a professional and reflective stance when crafting a response. Note that the assigned mentor teacher is able to view the response. All four substantive observation reflections must be posted in order for Clinical 3 instructors to post final grades.

AEP Documentation

Clinical 3 Section:

- Proof of Insurance
- Proof of Background Check
- Proof of CIRT
- Absence Documentation (as needed)

Other Documents

- Child Protection Training

AEP Review/Revise as needed:

- Emergency Contact Form

Required Pass/Fail Tasks

- **240 Tutoring (PPR)**
- **Time Log**
- **Resume**
- **Observations and Reflections** - Each PST will have two observations during Clinical 3. One takes place before the mid-term and one after the mid-term. Following each field observation, the university supervisor will upload notes and reflection prompts to the Student Data Portal. Once posted, the PST will get an email link to complete the online observation reflection. PSTs must substantively reflect within 48 hours of receiving the email link and maintain a professional and reflective stance when crafting a response. Note that the assigned mentor teacher is able to view the response. Both substantive observation reflections must be posted in order for Clinical 3 instructors to post final grades.

ACADEMIC INTEGRITY STATEMENT

For many years Aggies have followed a Code of Honor, which is stated in this very simple verse

"An Aggie does not lie, cheat, or steal or tolerate those who do."

For most, living under this code will be no problem, as it asks nothing of a person that is beyond reason. It calls for honesty and integrity, characteristics that Aggies have always exemplified. The Aggie Code of Honor functions as a symbol to all Aggies, promoting understanding and loyalty to truth and confidence in each other. For additional information, visit www.tamu.edu/aggiehonor.

Academic honesty is paramount to the success of all students within the department to ensure the integrity of our programs and degrees offered. All students within the Department of Teaching, Learning, and Culture must comply with the Honor System Rules with regard to all aspects of community responsibility and academic misconduct. Students identified as violating academic honesty will be reported to the Aggie Honor Code office. Any academic misconduct confirmed by the Honor Council may result in dismissal from the TLAC program.

Academic integrity is an essential force in the academic life of a university. It enhances the quality of education and celebrates the genuine achievements of others. It is, without reservation, a responsibility of all members of the Texas A&M University Community to actively promote academic integrity. Apathy or acquiescence in the presence of academic dishonesty is not a neutral act -- failure to confront and deter it will reinforce, perpetuate, and enlarge the scope of such misconduct. Failure to comply with the Honor Code in any way may lead to dismissal from the program. The decision to be removed from the program is made by the Honor Council or department.

TAMU STUDENT RULES: [HTTPS://STUDENT-RULES.TAMU.EDU](https://student-rules.tamu.edu)

EDUCATORS' CODE OF ETHICS

All students are expected to adhere to the required ethical standards as established by the state of Texas. To review the standards access:

[HTTP://TEA.TEXAS.GOV/INDEX2.ASPX?ID=2147501244&MENU_ID=771&MENU_ID2=794](http://tea.texas.gov/index2.aspx?id=2147501244&menu_id=771&menu_id2=794)

Any violation of these Codes may result in dismissal from the EPP.

All students in the degree plans leading to teacher certification must complete the on-line Ethics module prior to participating in field-based experiences. In addition to the Aggie Honor Code, it is the expectation that all students working on degree plans leading to teacher certification through the SEHD will abide by the Code of Ethics and Standard Practices for Texas Educators as put forth by the Texas Administrative Code. PSTs represent both TAMU and SEHD and as such are held to high behavioral, professional, and dispositional standards.

TEXAS A&M UNIVERSITY – DEPARTMENT OF TEACHING, LEARNING & CULTURE
EARLY FIELD PLACEMENT COMMITMENT CONTRACT

I _____ (*student's printed name*) understand that field experience is a major part of my teacher preparation program and requires the following commitments on my part to uphold the TLAC motto, "Always expect more of Aggie teachers."

- _____ 1. **I commit** to exhibiting the behaviors of a professional educator. These behaviors include, but are not limited to, appropriate dress, appropriate language, completing assigned tasks on time and with professional quality, maintaining a positive attitude, demonstrating to others a true desire to be in the classroom and to becoming a teacher, soliciting constructive criticism, and accepting it gracefully, and always being prepared.
- _____ 2. **I commit** to meeting the required field experience in the classroom each week, giving 100% of my focus, energy, and enthusiasm. I will be in the classroom, prepared and ready for the day's activities, at the designated arrival time for teachers and will remain until the designated departure time as set forth in campus policy. (aggieTEACH candidates attend the assigned 4-hour block each week.) I will utilize my mentor's planning period/conference period as a learning experience by engaging in conversation with my mentor, assisting in preparing materials for classroom use, assisting my mentor in other ways, or arranging with my mentor to observe another teacher.
- _____ 3. **I commit** to establishing an excellent attendance record and to following attendance procedures as set forth in the Early Field Handbook. Including submitting the time log in the AEP each week.
- _____ 4. **I commit** to supporting my mentor, to earning my mentor's respect, and to assisting my mentor in efforts to provide the best education to the learners. I will acknowledge and respect my mentor's authority in the classroom and recognize the fact that I am a guest in my mentor's classroom.
- _____ 5. **I commit** to self-learning and self-improvement. I will ask questions, seek information, be reflective, be open to criticism, keep my defenses down, demonstrate flexibility, and learn to recognize my own strengths and weaknesses. I understand that becoming a teacher is a developmental process with focus on changing and refining.
- _____ 6. **I commit** to taking initiative in the classroom, looking for ways to help children learn, seeking advice and guidance from my mentor, and learning how teachers make decisions on behalf of all children.
- _____ 7. **I commit** to attempting my primary content exam prior to the beginning of the clinical 3 semester and passing my primary content exam (and STR if applicable) by the deadline established for the semester in which I am enrolled.
- _____ 8. **I commit** to registering for any entitled accommodations in a timely manner prior to attempting my Texas Educator Certification Exams. I understand that it is my responsibility to register for these accommodations, and have been advised to complete the forms at:
<https://www.tx.nesinc.com/FindInfo.aspx?c=Alternative%20Testing%20Arrangements#findinf>. The Texas A&M University, Office of Disability Services <http://disability.tamu.edu/> is a great resource and many times can complete the complicated forms with ease. The Office of Disability Services is very familiar with the process and students should make use of this resource to advocate on their behalf.
- _____ 9. **I commit** to reading the Early Field Handbook, following the guidelines set forth in it, and accepting the consequences if I fail to follow these guidelines and items in this contract.

TEXAS A&M UNIVERSITY – DEPARTMENT OF TEACHING, LEARNING & CULTURE
MENTOR TEACHER/BELL SCHEDULE

Name: _____ Mentor Teacher: _____

District/Campus: _____ Classroom #: _____

Indicate for each period the subject and time:

Field Day of Week	Period: Time: Subject:	Period: Time: Subject:	Period: Time: Subject:	Period: Time: Subject:	Period: Time: Subject:	Period: Time: Subject:	Period: Time: Subject:	Period: Time: Subject:

TEXAS A&M UNIVERSITY – DEPARTMENT OF TEACHING, LEARNING AND CULTURE
SUGGESTED PRE-SERVICE TEACHER ACTIVITIES

INSTRUCTIONAL ACTIVITIES

- Tutor individual students
- Monitor computer work
- Work with small groups
- Work with whole group
- Co-teach with mentor teacher
- Teach a portion of a lesson (independently)
- Teach an entire lesson planned/developed by mentor teacher or pre-service teacher
- Manage classroom when requested by mentor teacher

PREPARATION OF INSTRUCTIONAL MATERIALS

- Create a bulletin board
- Create original learning plans
- Prepare classroom materials/supplies, make copies, set-up technology

ADMINISTRATIVE TASKS

- Retrieve books and materials from the campus library
- Supervise in the lunchroom/cafeteria
- Grade papers
- Gather materials from resources other than the mentor teacher
- Check the mentor teacher's mailbox
- Transport students to and from classroom
- Arrive early or stay after school in order to prepare lesson
- Help supervise students at recess
- Meet formally with mentor teacher

OBSERVATIONS, MEETINGS AND CONFERENCES

- Observe students in PE, music, art, computer, speech, resource, content mastery
- Observe mentor teacher
- Attend parent-teacher conference
- Attend faculty meeting
- Attend grade level meeting
- Attend departmental meeting
- Attend ARD/504 meeting
- Attend staff development training
- Attend a family night event

ANCILLARY ACTIVITIES

- Visit with students during lunch
- Assist with planning field trip
- Attend field trip
- Assist with class party
- Assist with extracurricular activity
- Assist another teacher or staff member
- Assist with reward activity

TEXAS A&M UNIVERSITY – DEPARTMENT OF TEACHING, LEARNING & CULTURE
EARLY FIELD EVALUATION FORM BY MENTOR TEACHER

Aggie Pre-Service Teacher: _____

Mentor Teacher: _____

Mentor Teacher Email: _____ Date: _____

_____ Mid-Point Evaluation _____ Final Evaluation (*final week of class*)

Pre-service teachers should not receive a score of 4 on the mid-point evaluation to allow for growth. We appreciate any comments provided.

4- Accomplished 3- Proficient 2- Developing 1- Improvement needed NO=Not Observed

Domain I – INITIATIVE	Rating	Comments
1. Demonstrates self-initiative		
2. Creative and resourceful		
3. Assumes responsibility for classroom without prompting		
Domain II – COMMUNICATION		
4. Articulate		
5. Uses Standard English grammar		
6. Writes effectively		
Domain III – CRITICAL THINKING		
7. Uses analytical and evaluative thinking		
8. Asks questions requiring higher order thinking		
Domain IV – RESPECT FOR OTHERS		
9. Diplomatic		
10. Sensitive to other's needs and feelings		
Domain V – INTERACTIONS DURING FIELD EXPERIENCE		
11. Seeks extra opportunities to work		
12. Reacts favorably to constructive criticism		
Domain VI – PROFESSIONALISM		
13. Always dresses appropriately		
14. Responsible		
Domain VII – ATTENDANCE		
15. Punctual		
16. Follows teacher workday schedule		
17. Communicates any changes to attendance		
18. Makes up any absences in a timely manner		

Prompt:

After reviewing your mentor teacher evaluation, please describe at least one teaching goal you plan to address.

**TEXAS A&M UNIVERSITY – DEPARTMENT OF TEACHING, LEARNING & CULTURE
CLINICAL 3 SERVICE PROJECT PROPOSAL**

Student Names: _____

Date: _____ Campus: _____ Supervisor: _____

Campus Administrator Name/Signature: _____

Campus Administrator Email: _____

I understand this project must be done collaboratively. Successful completion of this project is a requirement for a passing grade in all Clinical 3 courses.

- What is the purpose of the project?

- How does the project impact the campus?

- What materials are required? (Any cost associated with the project?)

- Timeline for the project:

TEXAS A&M UNIVERSITY – DEPARTMENT OF TEACHING, LEARNING & CULTURE
CLINICAL 3 SERVICE PROJECT INDIVIDUAL REFLECTION

Student Name: _____ Date: _____

Campus: _____ Supervisor: _____

- Evidence of project completion (What was your role?)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

- Impact on the school (successes, collaboration)
